Company Profile

- Company Name: **Bloomberg LP**
- Brief Introduction (About Us):

If you're passionate about the financial markets, solving complex problems and challenging the status quo, we want to hear from you.

Many companies search for purpose. Bloomberg was born with one: to change the world for the better. It's there in our products, which started a revolution in financial markets that reverberates to this day. It's felt by our people, who we invest in through every stage of their careers. And it's proven by our actions, which harness the resources, skills and profits of our company to transform lives around the world through the power of data.

Bloomberg is the world's primary distributor of financial data and a top news provider of the 21st century. Clients around the world rely on us to deliver accurate, real-time business and market information that helps them make important financial decisions.

Candidate Profile

- What specific skills, qualities, or competencies are you looking for in students?
e.g., analytical thinking, team spirit, adaptability, language skills, etc.

You need to have:

- Fluency in English in addition to German, French, Spanish, Japanese, Portuguese, Dutch, Italian or Polish
- A Bachelor's degree (or above)
- Strong critical-thinking and problem-solving skills
- A demonstrable interest in financial markets and the aspiration to work in the financial services industry
- The resilience to learn and adapt quickly in a dynamic environment
- Outstanding communication skills (both written and verbal)

We welcome recent graduates as well as those who have a few years of work experience or who come from non-traditional backgrounds. We also welcome veterans who are transitioning their careers into corporate roles. **You don't have to major in finance or a technical field, but a strong aptitude for either or both is encouraged.**
